Dear Research Administrators and Effort Certification Pre-reviewers,

The Effort Reporting period for July 2019 – December 2019 will begin Monday, April 27<sup>th</sup>.

Pre-reviewers will receive a system-generated email on Friday, April 24<sup>th</sup>, indicating the pre-review period has begun. The pre-review period is to be completed within 30 days. Please process any necessary labor redistribution corrections during this time period. After the pre-review period is complete, the Principal Investigator (PI) will receive one email on May 26<sup>th</sup>, listing all of the employees that are ready for certification. PIs will begin to receive weekly updates listing all employees that are awaiting certification. We will continue to send reminder and delinquent emails to both the Pre-reviewers and the Certifiers to ensure all Effort Reports are certified by the due date of June 25<sup>th</sup>. Delinquent emails sent to the PIs will be copied to the Department Chair/Director.

If you complete your pre-review ahead of the required 30 day timeframe, please communicate with your PIs that the reports are ready for their certification. PIs will not know that the reports are ready for their action prior to May 26<sup>th</sup>, unless they are notified.

***Thank you for your continued support in meeting this semi-annual Federal requirement.***

Refresher courses for both the Pre-reviewers and Certifiers can be arranged by contacting your respective Contract & Grant Accounting Office.
